

adorne Collection  
adorne® Whisper Switch, Magnesium  
Part No. ASWR1532M4

Whisper-style switches from the adorne Collection feature smooth lines, and allow you to control lights with a light, fluid motion. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

Controls light with a gentler action in an elegant design. Usable in both single-pole and 3-way applications.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
