

ACK-923-AG

DESCRIPTION

The Ackerly Collection showcases stunning ice glass, a textured material that resembles frozen or cracked ice. Its frosted, crystalline surface uniquely scatters light, producing a soft, diffused glow. This organic, sculptural effect adds a modern yet slightly retro touch to the design. The Ackerly Collection combines elegance with an artistic, edgy aesthetic, making it a standout in any space.

SPECIFICATIONS

Fixture Dimensions	7.5"W x 20"H x 5.5"D
