DESCRIPTION

The captivating Addis Lighting is a modern-day interpretation of the iconic mid-century Tronchi chandelier. Inspired by its predecessor's sleek lines and geometric shapes, the Addis features a Polished Chrome or Aged Brass metal frame that exudes sophistication and style. Its unique design showcases transparent tiers of textured Tronchi glass tubes, forming a mesmerizing 5-point rounded star shape. Choose from a range of glass colors, including clear, amber, smoke, and white, or the stunning Autumn and Spring options, which feature a captivating multicolor disposition. The Addis Collection offers various sizes and finishes, allowing you to find the perfect fit for your space while adding a touch of timeless elegance.
