

CAR-9202-BK

DESCRIPTION

Showcasing a silhouette of a classic drum pendant, the Carlyn contrast of hard metal with smooth fabric makes for an elegant contrast. Mixing materials with contrasting finishes delivers striking simplicity and adds a beautiful dimension to the Carlyn collection. This collection is available in large, medium, and small pendant sizes as well as a wall mount, perfect for adding a welcoming tone to a room. Incorporating a geometric metal design, it skillfully balances the interplay of black and white elements for a visually captivating effect.
