DESCRIPTION

The Esme collection is a modern take on the iconic Sputnik design, blending vintage sophistication with a fresh, dynamic twist. Its array of brass rods extend outwards, culminating in hand-blown art glass shaped like delicate flower petals. This striking piece transforms a room, offering a different visual experience whether it's illuminated or not—sophisticated and bold when off, subtly whimsical and glowing with warmth when on. Esme's timeless charm and playful elegance stand out in any space.
